BIMA OVERVIEW

We use disruptive mobile technology to bring insurance and health services to consumers at the bottom of the pyramid, on a scale never before possible. In just five years, BIMA has established itself as one of the fastest-growing and most innovative companies working in emerging markets. We already have thriving operations in 14 markets across Africa, Asia, Latin America and the Caribbean, with 20 million subscribers registered to date. We continue to show a strong growth trajectory, adding over 600, 000 new customers per month.

The company is led by a dynamic group of young entrepreneurs seeking to disrupt the industries in which we work and democratize access to vital services for billions of underserved families. We are looking for a talented and intelligent individual who thrives in a fast-paced environment.

THE ROLE

We are looking for an ambitious and driven individual that will work closely with the Group Financial Controller, working with him to improve the different accounting and financial processes within the Group. This person will take eventually on the responsibility on the consolidation of our Group financials (around 30 legal entities). The candidate we are looking for is not necessary an expert but has already a good knowledge of the main rules of consolidation and of IFRS, and is willing to develop their skills by working with the rest of the central finance team and through ad hoc training programs.

The central finance team currently consists of eight people located in Stockholm and Bangalore, India. This role will offer the right candidate a great opportunity to enter a young and international organization with many development opportunities and the chance to take own responsibility from day one.

Specific responsibilities include:

- Performing the monthly group consolidation using Cognos within agreed timescales including monthly management accounts, forecasting & annual budget consolidation

- Documenting the consolidation process and develop appropriate controls to operate on a monthly basis
- Ensure compliance with IFRS of the group reporting and maintenance of the Group Accounting and Reporting policy based on the evolution of the standards and of the business
- Assist local & regional financial teams on all related topics
- Preparation of the Group's annual report with the Group Financial Controller
- Assist with ad hoc finance projects

THE CANDIDATE

Our expectations:

- Relevant degree (e.g master or bachelor degree in business and economics or other relevant field of study)
- Minimum 3-5 years of experience in audit and/or within a finance department working on consolidation
- Proficient knowledge of IFRS and consolidation process
- Excellent skills in Excel ; experience in consolidation tools, especially in Cognos is a strong plus
- Fluency in English is a must; proficiency in Swedish/Spanish/French is a plus
- Ability to liaise and enforce compliance across large geographically and culturally disparate groups

WHY BIMA?

BIMA has a very distinct culture. We like people who are smart and independent, but we don't like ego. We share our ideas as readily as we do our opinions, and are respectful when doing so. We are driven and ambitious but most importantly we never lose our sense of humor.

Everyone in the BIMA team shares a passion for adventure. We look for bold people who love to travel, experience different cultures and try new things. BIMA encourages diversity among its applicants.

Our recruitment process is rigorous, but it has helped us build an impressive, dynamic team that shares a strong bond. If you match the profile described above we want to hear from you.
